

KUSHTIMES

EL BOLETÍN

FUN FACTS

April is a month to reflect on the health of our planet, the environment, and what we can do to make positive impacts. In 2011, Kush Hospitality opened LoKal, the first restaurant in Miami to use 100% wind and solar power to operate! We were doing it before all the cool kids were and because it was the right thing to do for Mother Earth. Take a moment to reflect on how you too can reduce your carbon footprint. Every little bit counts!

WE GIVE BACK

Last month on March 22nd, we stood with Blue Missions and the Make The World Blue campaign to spread awareness of the 663 million people who live without access to clean water. We donated our filtered water sales to the organization and we encourage you to do the same. As little as \$25 can bring clean water to a person who is in need. One of the greatest lessons in life is when you realize the "getting" is really in the "giving". Giving to others and being in service to those less fortunate is the definition of true wealth. Visit www.bluemissions.org to give or volunteer to one of their mission trips today!

CRISTY'S PICKS OF THE MONTH

WHAT IS CRISTY CRAVING THIS MONTH?

Actually this month I'm not craving anything....**APRIL FOOLS!** In all seriousness, if there's one thing I'm always ready for, it's a good meal. This month I'm craving The Johnny Utah Burger at Kush. Voted Best Burger in Miami, this show stopper is topped with hot pastrami, LoKal sauce, sliced tomato, shredded lettuce, diced white onions, and cheddar cheese. This burger takes you on a journey of flavor and texture and you'll be planning your next trip bite after bite. Pro-tip: Paired with a fresh IPA (India Pale Ale for you non-beer geeks), the Johnny Utah Burger is the best cheat-meal any day of the week. If you're not currently sitting at Kush reading this and about to add this to your order, you should be pulling up your GPS to plan your drive to the restaurant right about now.

XO Cristy.

KEEPING UP WITH KAPTAIN KUSH

News Flash: Kaptain Kush's Birthday party will be held at KUSH in Wynwood on April 20, 2019 at 4:20pm. Kush Hospitality would like to formally invite you to come celebrate the life and immeasurable contributions of Miami's first and only superhero! He fights crime, gets rid of shady characters, stands for justice, and only takes the occasional smoke break.

What's not to celebrate?! Please dress to impress and join a few other characters for the day! Don't forget to take a safe ride to and from the party, for the Kaptain does not stand for any dangerous or careless shenanigans in his city. Special release beers brewed just for Kush will be tapped that day and we all will "toke" along our merry way throughout the event!

Peace, love, and KUSH.
