

KUSHTIMES

EL BOLETÍN

FUN FACTS

We are known as what most people would call as "dog people." In reality, it's more like we are dog obsessed! We love furbabies so much that we make it a point at all of our establishments to offer a doggy menu, dog friendly beer and free organic dog treats to passerby pups. In this crazy world, dogs offer us opportunities to feel love without conditions and understand the true meaning of friendships while always giving us THE BEST SNUGGLES! Treat your pet to a visit with Kush Hospitality, and let us spoil your furry friend, it's truly our pleasure.

This year Lokal will be participating in the Wings for Wishes Event! Mark your calendars for the 5th Annual Wings For Wishes benefiting Make-A-Wish Southern Florida. CRISTY'S PICKS OF THE MONTH

WHAT IS CRISTY CRAVING THIS MONTH?

Hey Kush Lovers,

Looking for the cutest date-night idea for your Valentine's Day sweetheart? Well, I've got the PERFECT plan! This month I'm craving romantic walks in Coconut Grove, surf & turf, nostalgia, and milkshakes. Allow me to set the mood—You arrive at Spillover after having made your reservations for two, once seated, you order the Valentine's Day Special which includes oysters, a bottle of Cava and 2 Filet & Lobster dinners, and proceed to gaze deeply into eachothers' eyes, bite after bite. Then, you take a dimly lit stroll over to Vicky's House and journey back to 1986 where you can canoodle on the couch, play video games and drink an over-the-top Valentine's Day milkshake. What could be more romantic?! This month we're featuring two new love inspired flavors:

"I Couldn't BEAR to Lose You": Strawberry shake, cream cheese frosting, pink sprinkles, pink chocolate balls, swirl lollipop, whipped cream, with a cherry on top.

"Love Makes Me Wanna RALF!": Caramel shake, caramel drizzle, red chocolate balls, root beer rock pop candy, a donut, and cola gummies to top it off.

Wishing you all luck, love and sweet surprises!

XO Cristy

KEEPING UP WITH KAPTAIN KUSH

In honor of the month of love, Kaptain Kush would like to send an extra special shout out to his leading lady, his forever Valentine and superwoman, Priscilla. Behind every great superhero is an even stronger person who always has your back. Take the Kaptain's advise and be sure to acknowledge the supporting character in your story line this month. Also, he'd like to remind the citizens of Miami that he's a lover not a fighter, so keep yourselves out of trouble.

Peace, Love, and KUSH,
KK

LOCAL VENDOR SPOTLIGHT PROPER SAUSAGES

Freddy & Danielle Kaufmann started Proper Sausages in Miami in 2011. Frustrated by the musty offerings at supermarkets and missing an authentic English sausage, one made with quality pork and bold, yet simple flavors, Danielle could only ask, "Where are the proper sausages?". Armed with Freddy's strong culinary background and Danielle's unique British understanding of all things "proper", they quickly began work on creating what they considered to be The Proper Sausage. Seeking to satisfy themselves, they settled on a blend of Berkshire pork, fresh sage, black pepper, and mace, purely simple and delicious. Unbounded by traditional constraints, they continued to experiment with different ingredients until they had mastered 20 varieties, all different but equally as worthy of the name Proper.
