EL BOLETÍN

FUN FACTS

When you walk into our flagship restaurant, LoKAl, there is a plethora of eye-catching art, but our LoKAl sign made entirely of corks is a masterpiece to behold. It is a collective of over 7,000 corks, glued together creating a gorgeous mosaic of our logo. Artist Camilo Rojas of CR-eate Studios brought the piece to life and placed each wine stained cork with his bare hands. So much TLC was given into the creative process behind LoKAl with every piece of art in the building having a story to tell.

WE GIVE BACK

As we look back at 2018, it was a great year to which we focused on serving our community and participated in some great causes. We made environmentally conscious changes by removing all plastic straws from our restaurants, volunteered at the United Way Back to School event, and read and provided books to underprivileged children. We also sponsored 3 foster children from Family Resource Center of Florida for Christmas and provided laptops and thoughtful gifts off their wish list. In 2019, we are committed to continually make a difference in our great city and will start off the year with a beach clean up! We invite you all to make your own impact in your local community this year and BE the change.

CRISTY'S PICKS OF THE MONTH

WHAT IS CRISTY CRAVING THIS MONTH?

Hey Kush Kids,

HAPPY NEW YEAR! I hope you had wonderful time enjoying family, friends, and holiday cheer, but now it's time to balance out all the over indulging with some truly nutritious meals. Thankfully all of our locations have several healthy options that don't skimp on flavor. This month, I'm craving our Lokal Salad topped with our homemade veggie patty. The salad consists of mixed greens tossed with carrots, bacon, tomatoes, croutons, sliced avocado, green peas, cucumbers, and gruyere cheese, and served with your choice of homemade dressings: Blue Cheese, Creamy Garlic, LoKal vinaigrette or Honey Mustard. It's fresh and light, but oh-so-satisfying.

Lincoln's Beard Brewing recognizes the importance of Kaptain Kush as a beacon of hope in the Magic City and decided to commemorate all his good deeds by creating an American IPA brewed with strawberries. It's a perfect blend of hoppiness and subtle essence of strawberry to balance. Now available at all of our Kush Hospitality concepts and at the brewery, so get yourself a 4 pack ASAP! LOCAL VENDOR SPOTLIGHT

The Salty Donut™ is more than a donut shop. This family-owned, artisan donut shop focuses on chef-made, small-batch, craft donuts that rotate based on seasonality. They're a 100% scratch bakery and use nothing but the highest quality ingredients and make everything in house! All of their yeast-raised donuts are based on their 24hr Brioche recipe which is buttery, insanely flavorful, and fluffy. LoKal uses their Brioche Glazed Donut as the bun to our Childhood Dream Burger, and we have to say, it's a match made in foodie heaven! You can check them out at their flagship location in Wynwood.
