EL BOLETÍN

FUN FACTS

Newly reopened **Stephen's Delicatessen** in Hialeah was the first Jewish-style deli to open in all of Florida! Now under the Kush Hospitality team, the hope is to reinvigorate the deli culture and create a meeting place for all walks of life to feel welcome.

NEW AT VICKY'S HOUSE + LOKAL

Things are getting a little "stranger" at Vicky's House! This month we are celebrating the new season premiere of **Stranger Things** with local partners @TheHungryPost & @DasherandCrank!

We've teamed up to bring you a burger and milkshake worthy of this spectacular and haunting ode to the 1980s. For the entire month of July, you can enjoy our Stranger Things creations:

Dart & Dustin Three Musketeers Shake

Dasher & Crank activated charcoal chocolate ice cream shake floating in a cup drizzled with a "blood red" caramel (also made by Dasher & Crank), frosted with a peanut butter rim, dusted with Oreo crumbles and topped with whipped cream, more blood caramel drizzle, a Three Musketeers bar, an Oreo, and Oreo crumbles. We think we captured the ominous undertones of the show and are so proud to highlight some pretty amazing ice cream by the Miami New Times Best of Miami Winners for Best Ice Cream, Dasher & Crank.

Eleven's Eggo Burger

Fresh ground burger patty cooked on the flat top with melted American cheese, bacon, a fried egg, ketchup and sandwiched between two toasty Eggo waffles. Served with a side of French fries and spicy maple syrup.

CRISTY'S PICKS OF THE MONTH

WHAT IS CRISTY CRAVING THIS MONTH?

Hey Kush Kids,

Lately, my cravings have been a bit all over the place since I'm now eating for two, but what hasn't changed is how hungry I am for all things Kush Hospitality. This month I'm craving a Pastrami Rachel Sandwich from the newly opened Stephen's Delicatessen in Hialeah! The Rachel is sexy, yet unpretentious, warm and inviting, and so tasty you'll wonder how you ever lived without her. Pro Tip: Order her with a side of housemade mashed potatoes with gravy and an extra side of coleslaw because there's no holding back when you're growing a human, or even when you're not!

Voted Best Deli 2019 by the Miami New Times Best of Miami Poll, Stephen's Deli promises to revive your love for Jewish-style deli culture, all day breakfast, and hand-sliced meat.

XO Cristy

KEEPING UP WITH KAPTAIN KUSH

Dear Kush Lovers,

Let me tell you a little story about the new Captain Kush Beer collaboration with Tripping Animals Brewing Company. One hot summer day, I was excited to grab a beer at their Doral brewery and when I arrived, the infamous Bandido greeted me. I usually don't associate with shady characters, but he made a peace offering I could not refuse. To make a long story short, we had so much "hazy" fun that I revealed my secret Captain Kush beer recipe to him to which he then converted into his own version. Now this delicious beer is a pineapple pale ale; our newest Captain Kush beer! It tastes so absolutely amazing so it's hard to be upset about its changed recipe! In fact, this may be the beginning of a beautiful friendship.

Peace, love, and KUSH.
