## EL BOLETÍN

### FUN FACTS

Did you know back in 2011, LoKal was one of the trailblazers in creating the craft beer culture you see today? We were fortunate enough to make meaningful relationships with local brewers, some before they even had an open brewery, and were privileged to be the first to carry beer from Johnathan Wakefield, MIA Beer Co., Wynwood Brewing, Funky Buddha and many more. Craft beer has been the foundation of our success from the beginning, giving a platform (by way of beer taps) for local brewers to rise to stardom and share their craft with a thirsty city, ready for change. We value our local partners in craft beer who were some of the first breweries to open their doors and give us a great beer to pour.

# CRISTY'S PICKS OF THE MONTH

## WHAT IS CRISTY CRAVING THIS MONTH?

Summer is upon us, and as a native Miami gal, this means one thing: HYDRATE. My Summer weekends will be punctuated with refreshing cocktails, and Evian sprays—ALL DAY. This month I'll be living at Spillover's umbrella-lined patio whilst I sip hand-shaken Piña Colodas, Spicy Palomas and a Key West inspired cocktail Lives in a Pineapple Under a Tree, a rum, cilantro, and pineapple daiquiri. Of course, in between these adult beverages, I'll be chugging down water and eating everything in sight, because drinking responsibly is the only way to live.

XO Cristy

## KEEPING UP WITH KAPTAIN KUSH

Dear Miami,

I'm flying super high today because I can officially shout to the world that the best NY style deli in Miami, Stephen's Deli 1954, and KUSH are now open at Time Out Market Miami! I'm a connoisseur of the best munchies in town, and these two spots are like striking gold after a good toke around South Beach. The best part about this? They are both in one location! Get the best of both worlds, plus we all know choosing just one thing to eat when you're stoned is like solving a Rubik's cube. Not going to happen. Time Out Market Miami is now located on 1601 Drexel Avenue, Miami Beach, FL, go, you won't be disappointed.

Peace, love, and KUSH.

## LOCAL VENDOR SPOTLIGHT

Atlas Meat Free Deli is a local vegan deli who has proven to be a leader in creating delicious meat-free products. At KUSH and LoKal, we use their vegan "chorizo" and "chicken" in our vegan Jambalaya. The quality is beyond compare, and we are grateful to have this as an option for our vegan and vegetarian guests.

With an unparalleled selection of gourmet vegan deli and comfort foods, Atlas caters to "foodies" who are looking for something more satisfying than a salad on their plate!

Carnivore devoured and approved, we handcraft bold, full-flavored vegan deli & comfort food that everyone will appreciate because we make extraordinary food!

Atlas vegan "Meats" and "Cheeses" are versatile and can be incorporated seamlessly in almost any non-vegan recipe.
