

KUSHTIMES

EL BOLETÍN

FUN FACTS

Do you ever wonder how we manage to get action figures as our tap handles at KUSH in Wynwood? Well, we didn't just buy them online, we actually had them custom made using Matt Kuscher's childhood toys, to which some are over 30 years old! Matt was endearingly attached to his toys, enough so, he never wanted to get rid of any of them and as luck would have it, they now have a new life and purpose for all to admire.

WE GIVE BACK

Building community is what we are all about at Kush Hospitality. It's in our mission as a company to bring the community together and offer events that are impactful, fun and inclusive. Our last couple of activities have been geared towards local children and left us feeling inspired and grateful to be able to provide little ones a safe place to be themselves, explore and have fun. If you missed LoKal's Royal Kids Event or our Earth Day celebration with kids yoga and seed planting, then be sure to keep an eye out for more of these activities for your kids to enjoy. And did we mention they are all 100% free?! Sign up for our newsletter to stay in touch and be the first to know when great things are coming. Visit www.kushhospitality.com to subscribe.

CRISTY'S PICKS OF THE MONTH

WHAT IS CRISTY CRAVING THIS MONTH?

As the summer approaches, my appetite for seafood intensifies alongside the temperatures in Miami. Thank goodness we have Spillover in Coconut Grove to scratch the itch and respite from the hot sun. This month I'm craving Spillover's famous Smoked Fish Dip, slathered in Tabasco sauce and chased down with a Prosecco Mojito! This winning combination will replace thoughts with Jimmy Buffet's music and take your tastebuds on an oceanic adventure then land you on a tropical island without a care in the world. Take the trip and treat yourself to an early summer "vacation," no passport required.

KEEPING UP WITH KAPTAIN KUSH

Dear Miami,

Two things:

- 1) I wanted to thank you from the bottom of my heart for joining me on 4/20 for my birthday party at KUSH. Also, I wanted to let those of you who missed it know that you totally missed out.
- 2) Does anyone else get a huge kick out of the Don Bailey Flooring billboards? 50 years in business, family owned and operated, and this never fails to put a smile on my face.

Anyway, it might be the chronic talking, but that Don Bailey is a dream boat.

Peace, love, and KUSH.

LOCAL VENDOR SPOTLIGHT

Now Serving RADIATE KOMBUCHA!

When you drink a can of Radiate Kombucha, you're choosing an ethically sourced, small batch, locally-made, and probiotic-rich superfood. You're supporting a Mom owned business working on localizing our food system and creating a transparent, ethical community. You are supporting small local farms and farmers families. You're supporting one of the oldest living spiritually-driven female tea masters in the world who is exercising traditional, organic and holistic farming practices. You're aiding in both worldwide and local movements toward equal rights and a sustainable future.

Every single ingredient has been researched and sourced meticulously to ensure that we are crafting the highest quality product on the market. We strive for integrity, transparency, and honesty because we care. A lot. A ton, actually. We have two homes, our body, and our Earth. Both need to be treated with respect.
