EL BOLETÍN

FUN FACTS

All the doors you see hanging on the wall at Spillover were actually collected one by one, and stored wherever owner Matt Kuscher could hide them until this concept materialized. His friend in the window and door industry would call him to offer the old door whenever he replaced one. Slowly but surely, he racked up quite the collection. Matt has always been a believer in upcycling and turning something seemingly useless into something functional and beautiful.

WE GIVE BACK

Last month we partnered with the local firefighters of City of Miami Fire Station 8 in Coconut Grove, to give the community a closer look inside a day in the life of a firefighter, fire safety and an open invitation to ask our heroes questions. The kids loved being able to take tours inside the fire truck, there was a sense of wonder and joy on their little faces, and above all we know we gave families a deeper sense of appreciation for our local fire department. Most people would agree firefighters are so deserving of praise, so we allowed our guests to partner with us and contribute to buying them lunch (prepared at Lokal) to show them a token of appreciation for all they do in our community. It's the least we can do for all their hard work.

FREE BEER AT KUSH

Our Monthly Home Brewer Series is the last Wednesday of every month starting at 7pm in Botanica. This month we are featuring Ricardo Abreu and Rudy Delgado of R Garage Brewing. This Cuban American duo grew up in Miami and has had a passion for craft beer running over 10 years. In 2016 they finally took their craft full speed ahead with a 5 gallon system set up in Rudy's garage - and it's worth noting that some of the best companies in existence made their first moves in a humble suburban garage. On Halloween they'll be pouring free beer in the Botanica, a Strawberry Hefeweizen and Double IPA! Check them out at Grovetoberfest on October 13th and be sure to follow them on Instagram @rgaragebrewing.

HAPPY HOUR AT SPILLOVER

The Spillover is big on two things: OYSTERS + COCKTAILS. The best Happy Hour in Coconut Grove can be enjoyed at our stylish artisanal bar, our cozy indoor tables, or "al fresco" on our gorgeous patio. Monday - Friday, 3 pm - 7 pm take advantage of \$1 OYSTERS, \$7 COCKTAILS, \$5 BAR BITES, buy one, get one on select wine and draft beer, plus FREE doggy meals for your pup!

MEATLESS MONDAYS AT LOKAL

Have you heard about the #MeatlessMonday Movement? In an effort to reduce the amount of human meat consumption, and encourage our patrons to increase their intake of veggies, we've decided to offer special menu options every Monday to make going meatless a little easier. Our Black Bean Tacos are a delicious twist on the traditional taco made with our homemade black bean patty, served on flour tortillas and topped with shredded lettuce, pico de gallo, sour cream and crispy tortilla strips. CRISTY'S PICKS OF THE MONTH

WHAT IS CRISTY CRAVING THIS MONTH?

When fall creeps up on you there's a sudden craving for all things comfort (food). This month Cristy is ravenous for some Chicken & Waffles made from scratch! There are few things cozier than pillowy soft waffles, crunchy and savory fried chicken, topped with candied bacon and house-made sriracha maple syrup. Order this dish to experience your palate being wrapped in a warm blanket of love.

KEEPING UP WITH KAPTAIN KUSH

Kaptain Kush is our mascot and local hero. This month he's featuring Cuban Crafters, his absolute favorite place in Miami. Where else can you get a freshly rolled cigar, a shoe shine, have someone pouring coladas, and get a haircut while watching an intense domino game? No where else, plus they have the best service and advice. This cigar megastore is a Miami staple. They have their own line that they ship out at a discount if you buy in house or you can do what the Kaptain does and buy the bundles with no label, getting you high quality cigars at rock bottom prices. The cigar factory is located inside the cigar store. During your visit you can watch cigar legend Manuel Medina, one of the best Cuban born cigar makers in the world as he rolls them up right and tight.
