

KUSHTIMES

EL BOLETÍN

FUN FACTS

Did you know we have a beer that is made specifically for us called **Kaptain Kush**? The brew is made by the amazingly talented brewers at Lincoln's Beard Brewing in Westchester, FL and is exclusively at our restaurants. The collaboration between Kush Hospitality and Lincoln's Beard is an American IPA made with Galaxy hops, strawberries, beets and superhero magic!

WE GIVE BACK

The quality of your life isn't measured in how much you have, it's in how much you GIVE. Last month, we partnered with United Way Miami™ to fill as many backpacks with school supplies for "Back to School" as we possibly could, because every child deserves our support to learn, grow, and play happy!

FREE BEER AT KUSH

Our Monthly Home Brewer Series is the last Wednesday of every month starting at 7pm in Botanica. This month, our featured brewers are **Tati and Alex Fonseca from Hoppy Flamingo Brewing!** Available for sampling will be their Belgian Tripel made with coriander, bitter orange peel and Florida Wildflower honey.

LOBSTER TUESDAYS AT SPILLOVER

If you haven't noticed, we LOVE lobster. So much so, we dedicate every Tuesday to our lobster dishes made with love for only \$20! This week, we're especially smitten with the Lobster Fried Rice, packed with succulent lobster and a mouth full of flavor!

MEATLESS MONDAYS AT LOKAL

Are you ready to join the #MeatlessMonday Movement? We're here to show you that sometimes it's ok to go without meat, without sacrificing flavor! Our vegetarian and vegan options are both delicious and satisfying. Check out our weekly features announced on Instagram @lokalcoconutgrove like our Vegetarian Chxn' & Jalapeño-Cheddar Waffles.

CRISTY'S PICKS OF THE MONTH

WHAT IS CRISTY CRAVING THIS MONTH?

Summer has ended, but our Hand-Shaken Piña Coladas never go out of style. Next time you're at Spillover, order yourself this frothy delight! Sit back, close your eyes, and let your mind (and taste buds) take a tropical vacation.

VENDOR SPOTLIGHT

Some of the best ice cream we've ever tasted can be found right here in Miami - **Dasher & Crank**. We started carrying their off the chart flavors at Vicky's House before they even opened; their ice cream was that good, we couldn't wait! Now you can get a variety of their flavors, including vegan options, at any of our locations. Ask your server about the Dasher & Crank scoop of the day!

KEEPING UP WITH KAPTAIN KUSH

Kaptain Kush is our mascot and local hero. His mission is to spotlight the hidden gems of Dade County and remind the Miami locals of everything that makes our city special. This month, he's paying homage to the ventanitas he loves so much. And for the non-locals, a ventanita is a "little window" serving coffee, cuban pastries, and croquetas—the lifeblood of the city. These "little windows" are the gathering places for locals and tourists alike, just trying to stay caffeinated, well fed, and informed. To find these local gems, follow Kaptain Kush's journey on Instagram @kaptainkush305
