TOBACCO ROAD BY KUSH

It's time to get WILD for Wild Turkey Wednesdays at Tobacco Road by Kush! Wednesday is for whiskey and we partnered with Wild Turkey to wet your whistle every Wednesday night starting at 7 pm with drink specials like a Turkey Mule \$7 and Wild Turkey shot and a beer \$6 plus a chance to win a bar tab if you win the Turkey Call Competition!

Yes, we are asking you to perform your best Turkey call in front of the whole restaurant, and we promise everyone will laugh at you, but it's all part of the fun.

Also new to Tobacco Road is our Late Nite Menu now available every Friday and Saturday from 11 pm-2 am for pick up or delivery via Uber Eats! Brickell food scene can be a desolate place in the wee hours of the night, but we're keeping our kitchen HOT & READY for all your late-night cravings. And the best part is you don't even need to stumble through our doors, simply click open your Uber Eats app from the comfort of your couch.

KUSH HIALEAH

Thrifting isn't a trend, it's a lifestyle. Recently, recycled clothing is becoming more mainstream as many large fashion houses are creating recycled clothing lines. We didn't invent the Hialeah Thrift Trail but we're inspired by how thrifting is deeply embedded in the culture here. Kush Hialeah gave it a name and decided to curate a map to make outsiders feel welcome to explore and treasure hunt amongst the locals. Thrift stores are a rarity in Miami and if you can find two within a 15-mile radius is a win. However, that's not the case in east Hialeah. There already exists a thrifting hub (by default, necessity, or by design, we couldn't say) but we decided to make a guide highlighting the best thrift stores in the area—all within one square mile of each other. CBS 4's Lisa Petrillo did a whole story and documented her Thrift Trail adventure with Matt Kuscher. He's a big believer in upcycling and adding character by way of thrifting. The proof is in the pudding when you see every restaurant he owns is replete with thrift store gems that have a story to tell all their own. Pick up your Thrift Trail Map at Kush Hialeah and check out the whole CBS 4 story on our IGTV tab on Instagram @kushhialeah to get the best thrifting advice you'll ever get from the 'thrift king' himself.

CAFE KUSH

At Cafe Kush we go the extra mile to be sure what we are providing is not only a warm and inviting atmosphere but a unique dining experience. For these reasons our house made Vermouth was created as more than just a way of "improving" bad or off wine, it was to showcase an ethos of reinvention and perseverance. Historically, if wine was starting to oxidize, turning it into "vermouth" was a way of extending the wine's life and hiding the fact that it was going bad. But we're in the business of hiding anything, we aim to put our magic touch to develop our own recipe and spin on the classics with intention and purpose. Thus, creating a Kush Vermouth thoughtfully aged for 1 month that can be enjoyed not only as an aperitif but anytime the mood strikes, was a obvious choice. Not to get too poetic, but Vermouth teaches us a good life lesson—even when something starts to turn, adding a few missing ingredients like attention, and love can transform and yield something unexpectedly beautiful. Next time you're at Cafe Kush don't skip the Kush Vermouth. Allow yourself a moment to linger, sip, and appreciate a drink made from the what most people would discard thinking it's not worth the trouble. One taste and you may rethink on other things you gave up on thinking it could never yield the sweet taste of success.

KUSH WYNWOOD

We 'steak' our lives on this—Pan Con Bistec is back and better than ever. You may have seen our recent claim to fame when Bar Stool Sports named our Kush Cubano one of the best sandwiches in Miami (which is 100% true), but we hope the 'Stool President' takes a break from Instagram Pizza reviews and is prepared to create a show to highlight the perfection that is our Pan Con Bistec as well. We make this handheld from heaven with the perfect ratios of shredded beef, lime, Jack cheese, lettuce, tomato, grilled onions, potato stix, mayonnaise, ketchup, served on a hoagie roll. The Kush Pan Con Bistec is the Cuban Steak Sandwich to end cravings for all others. Starting September 1, 2021, she'll be back at Kush in Wynwood. Follow us @Kushwynwood for the latest and greatest food, beer, and Kush content.

VICKY'S HOUSE

Vicky Kuscher a.k.a. Baby, turned 76 on August 17, 2021, and to celebrate Kush Hospitality brewed another incredible craft beer with Unbranded Brewing Company in Hialeah! This second iteration of Vicky's celebratory ale took a different flavor profile than the original Guava, and the geniuses at Unbranded decided to go with Strawnana (strawberry-banana) Milkshake Sour Ale which is fitting, to be sure.
