## EL BOLETÍN

A Tribute to **TOBACCO ROAD** by Kush

This ain't the REAL Tobacco Road, but it's an ode to the oldest bar in Miami (est. 1912) that despite every historical trial (from prohibition to Miami-Dade's "Morals Squad" to even being bombed) survived and reinvented itself for 100 years. Kush Hospitality partnered up with the original owners to open a tribute to Tobacco Road two doors down from its original location. It's a Tobacco Road museum, but during this history lesson, you can drink good whisky, eat Old Bay wings and reminisce about the good old days of Tobacco Road. We are breathing new life, in a new location, but you can expect the essence of what Tobacco Road stood for will remain with the food, service, and standards of Kush Hospitality. NOW OPEN in the heart of Brickell 650 S Miami Ave. Miami, FL 33130.

### CAFE KUSH

Have you ever seen a manatee up close? Well at Cafe Kush, manatee sightings are a common occurrence, and we feel our unofficial mascots have much to teach us. Observing their gentle nature is a cathartic experience, and it beckons you to take on their attitude which seems to be saying "slow down and savor the moment." Our little 'riviera' lends itself so perfectly to sit, relax, and watch the river flow. Like the cafe culture of Paris, Cafe Kush brings you nonchalant vibes to enjoy a great meal, and a picturesque setting, much like in the city of light.

Come with no haste, enjoy a bottle of our housemade vermouth, and revel in the art of simple pleasures. We highly recommend booking yourself a table outside by the river, and if you're flowing in communion with nature, it won't be long before you spot a manatee cruising by. *Reservations are available at [opentable.com](https://www.opentable.com)\**

### KUSH HIALEAH

Did you know **KUSH OPENED IN HIALEAH?! No** need to drive to Wynwood for a delicious burger or craft beer, with **KUSH IN HIALEAH** you even get craft cocktails! But the food and cocktails aren't the only reason to come. Here's a little secret -the best vintage furniture, clothing, and anything second-hand, is found in **HIALEAH**. This means you could spend your day treasure hunting and have the perfect meal to fuel or recharge your retail therapy! We even have a guide that denotes all the best thrift shops in the area, what they sell, and where to find them, but it's an IYKYK kind of situation requiring you to inquire with your server or bartender at **KUSH HIALEAH**.

### LA COCINA COCTELERÍA

La Cocina is known for being hyper Miami and highlighting the unique aspects of the South Florida Hispanic culture, so we thought why not create a fun community event for Bingo, but make it AWESOME?! Kok Sh't Bingo is an outside-the-box and inside-the-chicken-coop version of traditional bingo.

Picture this: The bingo board will be the floor of a chicken coop, and our feathered friend will make one lucky winner jump for joy after she poops on their raffle number! What better way to connect with nature and have a different kind of Sunday-FUNDAY? Raffle tickets are given in exchange for pet food donations benefitting the Miami Animal Rescue and cocktails purchases so it's all for a great cause. But this isn't just an afternoon of drunken bingo, we're also hosting a vintage flea market with local vendors who'll be providing unique finds and thrift shop treasures. Join us for this fun and family-friendly event on the last Sunday of every month at La Cocina starting at noon! *La Cocina Cocteleria is open Friday & Saturday 7 pm-12 pm*

## KUSH WYNWOOD

We're Getting Back to Basics with Local Pint Night and much more! Kush has always focused on being your one-stop-shop for the best craft beer and food in Wynwood, and that's exactly what we will continue to do. We are forging ahead with nothing but good vibes and a commitment to continue to bring you the most sought-after brews. This spring we'll be rolling out some 'oldies but goodies' onto our menu, and even creating some newness with fresh perspective and creativity. Connect with us on social media @kushwynwood to stay up to date on the latest beer hauls and scrumptious munchies at Kush Wynwood.

## KUSH COCONUT GROVE

WTF is Grandma Yay you say? Grandma-Yay is our housemade Orange Brandy and she's strong, boozy, with just the right amount of sweetness from the infusion of Florida oranges and orange peels. The process finishes with filtration, clarification, and bottling after a week of marinating. Once it's ready to imbibe you can sip it neat, pour it over ice, or elevate any mixed cocktail. One of our favorite ways to enjoy it is in our housemade sangria which packs a delicious punch thanks to Grandma Yay! Be sure to ask your server or bartender to hook you up and add some "YAY" to your day. You could also take a bottle home with you for only \$32 and impress your friends with your stock of boujee locally made brandy!

## LOKAL

Lokal now offers weekly HAPPY-YAPPY-HOUR! THIS IS NOT A DRILL.

LoKAl has never offered happy hour in the past, but as we are going into our 10<sup>th</sup> year in business, and surviving one of the toughest years to date, we thought it was high time we celebrate and give the community another reason to stop in. Since we opened in 2011 there are two things we are very well known for—craft beer, and dog-friendliness. This is why it was a no-brainer to include our furry friends in on this sweet deal. Monday through Friday join us anytime 4 pm-6 pm for half off select draft beer, wine, and FREE doggy meals for your pups.
