ONE INSTAGRAM TO RULE THEM ALL

Hey Kush™ Fam, we decided to make 'keeping up' with Kush™ Hospitality a better and more sustainable experience. And we came up with a simple solution — ONE INSTAGRAM! Follow us now @kushhospitality and you'll find updates on Lokal, Kush™ Wynwood, Kush™ Coconut Grove, Kush™ Hialeah, Vicky's House, and Tobacco Road by Kush.

The internet can be a vast and undiscerning place. With so many Instagram accounts to follow, we find it can be a bit overwhelming. So much gets lost in the algorithm, but now you can prioritize Kush™ Hospitality in one convenient place. It's our way of being more social media conscious and reducing your (and our) areas of consumption. We promise to keep delivering the highest quality Kush™ content, with the same commitment and focus to what matters most within our four walls. We can't express enough appreciation to you as our guests, and only hope you believe us when we say it means the world to have you following along the journey of our hospitality group.

KAPTAIN KUSH'S BIRTHDAY PARTY

Get excited for the one-of-a-kind collaboration brew featuring all of Miami's finest brewers, plus a special playlist of all the best stoner tunes! Festivities begin at 4:20 pm, and we'll have Kaptain Kush™ and all his superhero friends there.

To top it all off we're releasing the brand new addition to our Kaptain Kush™ & Friends beer series, Madam Blaze, Coconut Blonde Ale by Beat Culture. Don't miss it!

Do you think you got what it takes to win?? Prizes are given for 1st, 2nd, and Last place!

CONSERVATION & EARTH DAY

Kush™ Hospitality started with a vision for creating a restaurant that could reduce, reuse, and recycle as much as possible to create a more sustainable dining experience. From a commitment to reducing the need for commercial farming and sourcing farm to table with local partners, to providing filtered water versus bottled water. We were doing it in Miami before it was considered the norm. Earth Day comes once a year, but we recognize that what moves the needle toward progress is consistency. That's why we make daily efforts to make our ecosystems stronger and create consciousness around conservation by partnering with Compost for Life a local urban farm we can ensure that our food waste is going back into the ground and sustainably creating high-quality soil.

But conservation doesn't only happen on land, and Biscayne Bay has been in trouble for some time. This is why we participate in an oyster restoration program Watershed Action Lab. By collecting our discarded oyster shells and creating vertical oyster farms, we encourage and increase oyster populations to filter the water and prevent dangerous and harmful algae blooms. We all can make a difference, and it is easier than you think to accomplish. Find out more at www.watershedactionlab.com to get involved, or find out more at www.compostforlifemiami.com and explore residential and commercial composting services. They make it incredibly easy to be part of the solution in creating a sustainably conscious life.

CRAFT BEER, LOCAL ICE CREAM & EXPERT ADVICE

Do you ever struggle with picking the right craft beer for your mood or season? Even we get decision fatigue sometimes. Hence why we have our expert beer geeks ready to serve and even curate for you. Whether you are selecting a brew to drink at LoKal or some to enjoy at home, we are here to offer the proper guidance. Our beer store at Vicky's House is always fully stocked with local favorites as well as rare finds you can only find on the most exclusive shelves. But the truly underused service we provide is in our expert beer aficionados. Allow us to introduce you to one — This is Nic. His favorite beer is Bulletproof Tiger, a Double IPA by Burley Oak Brewery out of Maryland. In his opinion it's a perfect blend of bitter and sweet that leans a bit more towards the bitter side. Nic enjoys one at the end of a long shift, and with a 9.2% ABV, it really hits the spot. "I love sipping on one when I'm working on one of my many art projects. I love drawing traditional and flash art tattoos. I am also a homebrewer and this is definitely a brew I would like to recreate." Next time you stop in, ask for Nic, and he'll guide you to the perfect beer.

As some of you may remember, LoKal is Vicky's House-adjacent offering post-meal milkshakes or scoops made with Sweet Melody Ice Cream! We're an exclusive Sweet Melody Ice Cream scoop shop and we pride ourselves on making wildly delicious milkshakes with their locally made craft ice cream! Sweet Melody is the only "Fresh From Florida" state-certified dairy plant in South Florida and one of only three in the state that does their own small-batch craft ice cream. We keep eight rotating flavors including two vegan flavors, plus a collaboration made just for us named after Kaptain Kush, Miami's first and only superhero. This flavor is a crowd favorite made with a brownie batter base, salted caramel swirls, green chocolate crunchies, and topped with our homemade Kush™ Brownie.

With Spring around the corner, now more than ever you'll want to make a mental note that LoKal and Vicky's House is your one-stop shop for cold beverages and frozen treats.

PAGE SCHOOL PARTNERSHIP

Kush™ Hospitality is doing its part to 'be the change' and so we've partnered up with the Pace Center for Girls, a school that serves free year-round middle school and high school academics, case management, counseling, and life skills development. Their vision is one we fully support, a world where all girls and young women have POWER, in a JUST and EQUITABLE society. Going forward you'll find on all our Kush™ Hospitality menus an option to donate \$1, \$5, or \$20 directly to the organization. Every donation is given 100% to Pace Center for girls. Visit their website www.pacecenter.org to find more ways to serve.

CAFE KUSH

Can you be honest, have you ever tried Frog Legs at Cafe Kush? If your answer isn't a loud and proud 'QUI', then we need to insist you fix this. You're depriving yourself of an essential culinary experience and Cafe Kush's right of passage.

The old adage "it tastes like chicken" doesn't do it justice. Contrary to popular belief, frog legs are incredibly meaty and taste somewhere between duck and chicken, and so juicy and scrumptious like a chicken wing. We serve it with a trifecta of homemade honey mustard, creamy garlic, and BBQ sauce to make it extra tasty. Like the cool kids say, "IYKYK."

MIAMI BEER WEEK

South Florida history is about to be made by the local craft beer brewery community with Miami Beer Week, the magic city's FIRST EVER annual beer week. Kicking off on Wednesday, April 20th, at Kush™ in Wynwood, Miami Beer Week is a series of curated beer events throughout the city's best breweries that will run until Sunday, May 1st.

Miami Beer Week is about showcasing our Miami food, culture, art, and passion for craft beer in a week-long celebration.

To state the obvious, Miami Craft Beer is a community unlike any other. Every local brewer has a unique style and story behind their brews, and the artistry goes above and beyond.

Go experience what Miami's finest craft beer is all about, and be sure to FOLLOW THEM NOW and stay informed on the event lineup and the Miami beer havens that will be hosting them.
